

EGW 2018

6th EUROPEAN GEOTHERMAL WORKSHOP
Strasbourg, 10 - 11 October 2018

CHARACTERIZATION OF DEEP GEOTHERMAL SYSTEMS

This workshop aims at discussing new approaches, methods or data in the fields of deep geothermal reservoirs for energy exploitation, with a strong focus on on-going research. It proposes a platform of scientific exchange, especially between PhD students and scientists.

GEOHERMAL RESOURCES
EXPLORATION OF GEOHERMAL RESERVOIRS
GEOHERMAL WELLS
RESERVOIR ENGINEERING
ENERGY CONVERSION SYSTEMS
OPERATION OF GEOHERMAL SYSTEMS
SUSTAINABILITY, ENVIRONMENT AND REGULATORY FRAMEWORK

Organized by LabEx G-eau-thermie profonde (EOST, University of Strasbourg, CNRS), in partnership with KIT (Karlsruhe Institute of Technology) and EERA (European Energy Research Alliance).

EGW 2018

6th EUROPEAN GEOTHERMAL WORKSHOP
Strasbourg, 10 - 11 October 2018

WORKSHOP SESSIONS

Keynotes : Experienced scientists will discuss up to date practices, current research aspects or last state of the art in specific topics relevant to the workshop. Discussion will follow.

Oral session : Speakers are invited to present their on-going work during a 12-minutes talk and a 3-minutes discussion. An abstract of approx. 2 pages and 1 figure must be submitted.

Poster session : Posters can be seen all over the workshop with specific dedicated time during lunch and coffee breaks. An abstract, no more than 1 page must be submitted. At the end of the workshop, a poster-prize will be awarded.

Side Event : Geothermal site visit

Fees :
200 €/pers.
(Free for PhD and
MCs students)

PROGRAMM

Wednesday, October 10

Hôtel du Département (Conseil départemental 67) - Salle de conférence

- 8:00 Welcome coffee & Registration
- 8:30 Session 1 : Assessment of geothermal resources
- 10:00 Coffee break and poster exposition
- 10:30 Session 2 : Exploration of geothermal reservoir
- 12:00 Lunch and Poster exposition
- 13:30 Session 3 : Constructing geothermal wells
- 15:00 Coffee break and poster exposition
- 15:30 Session 4 : Reservoir Engineering
- 17:00 Poster exposition
- 17:30 End of the day
- 19:00 Social event EGW at the Ancienne Douane Restaurant

Thursday, October 11

Hôtel du Département (Conseil départemental 67) - Salle de conférence

- 8:00 Welcome coffee & Registration
- 8:30 Session 5 : Energy conversion systems
- 10:00 Coffee break and poster exposition
- 10:30 Session 6 : Operation of geothermal systems
- 12:00 Lunch
- 13:30 Session 7 : Sustainability, environment, regulation framework and social acceptability
- 15:00 Coffee break and poster exposition
- 15:30 Session 8 : Round table
- 17:00 Conclusion and poster price award
- 17:30 End of the day

Friday, October 12

From Strasbourg to Soultz-sous-Forêts

- 8:00 Geothermals sites and oil museum visits

Associated events

October 8-9 :
Autumn School,
organized by
[Geothermal-Alliance Bavaria \(GAB\)](#)
(Technical University of Munich)

October 11 (evening) - 12 :
Workshop EERA
[\(Geothermal Joint Programme\)](#)
