

THE WAY FORWARD FOR HYDROPOWER RESEARCH

EERA JP Hydropower Kick-Off Event

Monday, 9 September 2019, 13.00-18.00/22.00
NTNU Brussels Office, Rue Guimard 9, 1000 Brussels

PRELIMINARY AGENDA

WHEN	WHAT	WHO
13:00	Introduction to the EERA JP Hydropower	JP Hydropower Coordinator + SP Coordinators
13:30	Key note speeches	
	The role of hydropower in the ECs mid and long term strategies <i>Final title TBA</i>	Hélène Chraye, Head of Unit Clean Energy Transition, Directorate Clean Planet
	Visions for hydropower from an industry perspective <i>Final title TBA</i>	Mathis Rogner, International Hydropower Association
	HydropowerEurope: <i>The role of hydropower as a catalyst for the successful energy transition in Europe</i>	Anton Schleiss, EPFL and ICOLD
14.30	Coffee break	
14.45	Key regional challenges for hydropower	
	Nordic region 1: <i>Final title TBA</i>	Tone Knudsen, Statkraft
	Nordic region 2: <i>Nordic hydropower – the European Battery</i>	Johan Bladh, Swedenergy
	Alpine region 1: <i>A revival for the first historical renewable flexible asset in an adapted European energy market design : potentials, challenges and barriers</i>	Sandrine Charousset, EDF
	Alpine region 2: <i>Hydropower Storage as enabler of energy transition</i>	Peter Bauhofer, TIWAG-Tiroler Wasserkraft AG
	Mediterranean region 1: <i>Hydropower in Southeast Europe: Challenges and Opportunities</i>	Dragana Mileusnic, The Nature Conservancy

	Mediterranean region 2: <i>Comment: Key Challenges for Hydropower in Spain</i>	Juan Ignacio Pérez-Díaz, Universidad Politécnica de Madrid
	Hydropower in the green European power system – and the need for more R&D.	Håkon Borgen, Chair of the Research-, Development and Innovation Committee, ENTSO-E.
	International perspectives <i>Final title TBA</i>	Enrique Gutierrez, International Energy Agency
16.45	Coffee break	
17:00	Panel discussion: Way forward for hydropower research	Thomas Schleker, European Commission Mario Bachhiesl, VGB PowerTech e.V. JP Hydropower SP-Coordinators
18:00	Pre-dinner science tour: Poster session	JP Hydropower Members
19:30	Dinner	

Moderator: Sonja van Renssen
